Premier lot, centrally located in The Rock at Jocassee golf course at a very good price. This one has a super location, less than 400' to the Rock Club house /Bar/ Restaurant, and golf course rental, easy walking distance. The land lays very well and will be economical to build on. It will have nice views of the fairway with the clearing of a few trees. Most of the premier lots have already been built on, but every now and then one will pop up that has never been developed. This is a perfect lot to build on and enjoy the Golf course lifestyle, or even as an investment. There are no compromises with this lot, grab it, and make it yours while you can.
